Company President's Corner

With the weather starting to tease spring, it is a good time to start thinking about summer. If you have pavilion rental plans, now is the time to lock your day(s).

Social Members, we are finalizing a better communication system for social members and will be administering the points system moving forward.

Company Meetings: will be 1 point per hour rounded up to the nearest half hour. We will have sign off sheets for social members beginning at the March meeting.

All other company events will be assigned points prior to the event and listed on Jottings.
